There is no need for the Deputy Commissioner to make any sanitary arrangements, which the Senior Surgeon is responsible for.

I have suggested to the Inspector-General of Police that the Police arrangements need not be so elaborate as they were on previous occasions, particularly at the Camp. He quite agreed with me, and said that he would have as few policemen as possible.

Office of the Deputy Commissioner,

Dated Mysore, 12th Septr *192* 3.

V.V.4-23-29.

Dear Sir

With reference to your D.O. letter No. G.4730-32/V.V. of the 11th instant, calling for an estimate of cost required for the arrangements to be made in connection with the ensuing Visit of H.E. the Viceroy during the next cold weather, I beg to state as follows:-

The Khedda will be arranged for by the Conservator of Forests and the Special Officer appointed to be in charge of the Viceregal Camps would look to the arrangements for accommodation, catering, and transport of Kit. Similarly watering, lighting etc., arrangements will be arranged for by the Water Works Electric and other departments. The Deputy Commissioner will have to look to the Police arrangements and also to sanitary arrangements till the Special Officer appointed for the purpose - Mr.Varadiengar - joins duty at Karapur Camp. The responsibility of

of guarding the camps and keeping order along the routes to be taken by His Excellency, under instructions if any, that may be issued according to Government Orders in the matter, also fall on the Deputy Commissioner.

During the last Viceregal reception arrangements in 1919, the amount of expenditure incurred by the Deputy Commissioner, excluding the cost of sanitary arrangements, was roughly Rs.6800/- and odd. This time also the cost of these arrangements may come up to the same level, more or less. The cost of sanitary arrangements alone was over Rs.2000/-. The major items of expenditure not to be incurred, besides the sanitary arrangements, will be,

(i) Construction of temporary sheds for the staff, cattle etc., at the Camp;

(ii) Formation and repairs to roads which the Viceregal Party is likely to traverse during Shikar etc.,

(iii) Construction of rafts for the use of the Viceregal Party.

(iv) Supply of provisions such as fowls, eggs, sheep and such other miscellaneous items;

(v) Milk supply arrangement to all departments and His Excellency's, and Their Highnesses' Camp's.

(vi) Establishments - such as Special Sheikdars, peons etc.

In view of the above details, I may, require Rs.9000/- to which a sum of Rs.1000/- may be added as a reserve for other unforseen items of expenditure. I request therefore that in all a sum of Rs.10,000/- may kindly be sanctioned and placed at my disposal for the present in connection with the Viceregal Visit.

Yours sincerely,

OFFICE OF THE DEPUTY COMMISSIONER,
MYSORE DISTRICT,
Dated, Mysore, 4th October 1923.

From

B. Ramaswamaiya, Esq., B.A., B.L.,
Deputy Commissioner, Mysore District.

To

A. Patthan, Esq., B.A.,
Chief Secretary to the Government of His Highness the Maharaja of Mysore, Bangalore.

SIR,

In acknowledging the receipt of your D.O. No.G. 5449/V.V. 4-23-46 dated the 29th September 1923 and also of G.O. No.G.5446-8/V.V.4-23-45 dated 29th September 1923, placing Rs.5000/- for meeting the expenditure connected with the Visit of His Excellency the Viceroy, I have the honor to state that the amount now sanctioned is hardly sufficient to meet the expenditure under the several items of work to be undertaken by the Revenue Department. The allotment of Rs.10,000/- applied for in my D.O. No.H.C.76 of 23-24 dated 12th September 1923 was exclusive of the amount required for Sanitary arrangements as per details mentioned therein.

From the statement showing the estimate of expenditure to be incurred during the ensuing Viceregal Visit, received from the Amildar, Heggadadevankote Taluk, wherein the estimated expenditure proposed to be now incurred has been based on the figures of previous occasions, it will be seen that, nearly 6000/- would be required on the undermentioned major items of work

alone leaving aside the other minor items costing Rs.100/- and below.

SHEDS.	1. Construction of Sheds.	Rs.850 —
	2. Sheds for provision shops.	250 —
ROADS.	1. Begur Beeramballi Road	1000 —
	2. Nisana Road. ...	450 —
		2550
PROVISIONS.		
	1. Provisions such as fowls, eggs, sheep etc.	700
	2. Fuel.	500
MILK SUPPLY.		
	1. Paddy & Ragi Straw and husk.	450
	2. Ragi flour to cattle owners.	700
	3. Batta to cattle owners.	325
	4. Cost of milk to be paid to cattle owners.	160
	5. Cost of pots, Tin-cases, fuel cooli etc.	175
	6. Temporary establishment.	400
	Total Rs.	5,960

I therefore request that you will be so good as to accord sanction for a further sum of Rs.3000/- at least to be placed at my disposal.

In this connection, I beg to point out that certain amounts shown as expenditure will be treated as advance to be eventually recouped from the several departments to whom supplies will be made. Anyhow, as the expenditure will have to be incurred in the first instance, I request that the said further allotment may kindly be sanctioned as early as possible. It is needless to add that every effort will be made to incur only such expenditure as is found to be absolutely necessary.

I have the honor to be,
Sir,
Your most obedient servant,

B Ramachandra Rao
